

# Bourse pour la relève des arts imprimés

*Grant for emerging artists  
in printmaking*

## CALL FOR SUBMISSIONS

*Deadline : February 28, 2021*

Atelier Circulaire is launching the 4th edition of the [Grant for Emerging Artists in Printmaking](#), a vast project to engage new generations of artists with printmaking and to encourage the sustainable inclusion of young Montreal based-artists in our community.

The grant offers a [12-month residency](#) to an emerging artist for the realization of a project at Atelier Circulaire. During this residency, Atelier Circulaire provides various technical, material and human resources to accompany the artist in the production of his or her work.

This grant is also a wonderful opportunity to work in an environment that stimulates research, experimentation and hybridity of techniques.

Each year, the selection of the submitted projects is made by an independent jury according to the artistic quality of the dossier, the relevance of the project at Atelier Circulaire and its technical feasibility according to the means available at the production workshop.
