

OPEN CALL

ARTIST RESIDENCIES

Deadline: October 31, 2021

Through its residency program, Atelier Circulaire hosts artists from all around the world in its production workshops. These residencies are an opportunity for exchange and knowledge sharing between guest artists and our members. At the end of their stay, residents offer a presentation of their work to the public.

Each year, the selection of the submitted projects is made by an independent jury according to the artistic quality of the dossier, the relevance of the project at Atelier Circulaire and the technical experience of the candidate.
